Dear Anne,

I am writing to you to express my immense thanks for all the support provided by you and your fantastic team at Highlands Methodist Church in making our Christmas concert on Friday 9th December another truly memorable evening.

I cannot stress enough about Highlands Methodist Church being such a brilliant venue to come to with such a charming and pleasant atmosphere and that was clearly seen by yet another capacity audience who turned up to watch our Music School and Music Man students perform the favourite of our concerts of this festive period. The immense appreciation shown by the audience for the talent of our students was a moving experience for me as well as to David and his team leading the concert.

Please accept my thanks and the thanks of Southend Mencap as a whole for the continued fantastic dedication and support provided by everyone at Highlands Methodist Church. It is immensely appreciated.

Yours Sincerely,
